## QUALITY POLICY

**Calogeron Ghana Limited (CGL)** is committed to delivering reliable engineering, construction, and technical services that meet customer requirements, applicable statutory and regulatory requirements, and recognized industry standards.

We achieve this commitment by:

- Consistently providing services that meet or exceed customer expectations.
- Establishing, implementing, and maintaining an effective Quality Management System in accordance with ISO 9001:2015.
- Ensuring that competent personnel, appropriate technology, and adequate resources are available to support our operations.
- Promoting a culture of quality, professionalism, safety, and accountability across all levels of the organization.
- Applying risk-based thinking in planning and executing our activities to enhance operational efficiency and service reliability.
- Continually improving our processes, services, and Quality Management System through monitoring, evaluation, and management review.

Top Management is responsible for communicating this policy to all employees and ensuring it is understood, implemented, and maintained at all levels of the organization.

This policy shall be reviewed periodically to ensure its continued relevance to the strategic direction of Calogeron Ghana Limited.
